

## CITY OF ALAMEDA

### Memorandum

To: Honorable Mayor and  
Members of the City Council

From: John A. Russo  
City Manager

Date: June 21, 2011

Re: Adopt Plans and Specifications and Authorize a Call for Bids for the Cyclic  
Sewer Replacement Project, Phase 9, No. P.W. 03-11-05

### BACKGROUND

The FY11-12 Capital Improvement Program (CIP) includes the ninth phase of the City's annual cyclic sewer repair program to replace deteriorated sewer mains and lower laterals. Repair locations are identified through closed circuit television inspection and frequency of maintenance responses to sanitary sewer overflows. The principal goal of the program is to improve the health and safety of the residents of Alameda by rehabilitating the sanitary sewer collection system, eliminating overflows, and reducing the amount of infiltration and inflow into the sewer system.

### DISCUSSION

The proposed project will rehabilitate approximately 2.7 miles of existing sanitary sewer pipeline, 50 manholes, and other associated work at the following locations:

- Central Avenue from High Street to Grand Street;
- Encinal Avenue, from Fountain Street to Versailles Avenue; and
- Lincoln Avenue, from Haight Street to Eighth Street.

A copy of the plans and specifications is on file in the City Clerk's office.

### FINANCIAL IMPACT

The project is budgeted in the Capital Improvement Program (Project No. 9950209), with monies allocated from the Sewer Enterprise Fund. There are sufficient monies in the Sewer Enterprise Fund for this phase of the cyclic sewer replacement project. There is no impact to the General Fund.

MUNICIPAL CODE/POLICY DOCUMENT CROSS REFERENCE

This action does not affect the Alameda Municipal Code.

ENVIRONMENTAL REVIEW

In accordance with the California Environmental Quality Act (CEQA), this project is Categorically Exempt under CEQA Guidelines Section 15301(b), Existing Facilities.

RECOMMENDATION

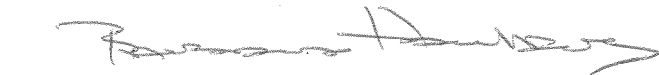

Adopt plans and specifications and authorize a call for bids for the cyclic sewer replacement project, phase 9, No. P.W. 03-11-05.

Respectfully submitted,

Matthew T. Naclerio  
Public Works Director

By,

Paul Soo, Jr.  
Assistant Engineer

Approved as to funds and account,

Fred Marsh  
Controller
